

AUSTRALASIAN Seed Science Conference

Program is correct as at 15 July 2021 and subject to change

AEST	MONDAY 6 SEPTEMBER Online	TUESDAY 7 SEPTEMBER Online	WEDNESDAY 8 SEPTEMBER Online	THURSDAY 9 SEPTEMBER Online	FRIDAY 10 SEPTEMBER Online
8:30					
9:00	Opening Ceremony (15 mins)	Launch of the Germplasm Guidelines			Workshop 3 Analysing seed data with R
9:30	Theme 1 Plenary Session - Seed Biology & Evolutionary Ecology Keynote Speaker: Dr Si-Chong Chen	Theme 3 Plenary Session - Seed & Gene Bank Management Keynote Speakers: Dr Sally Norton, Dr Elinor Breman			Part 1 - Introduction to robust experimental design
10:00	Theme 1 Plenary Session - Seed Biology & Evolutionary Ecology Presentations	Theme 3 Plenary Session - Seed & Gene Bank Management Presentations		Workshop 2 Australian Academy of Science Fenner Conference on the Environment 2021 - Exceptional times, exceptional plants	15 min break
10:30	15 min break	15 min break		Part 1 - Identifying exceptional species	Workshop 3 Analysing seed data with R
11:00	Theme 1 Plenary Session - Seed Biology & Evolutionary Ecology - Presentations	Theme 3 Plenary Session - Seed & Gene Bank Management Presentations		Short break (15 minutes)	Part 2 - Data wrangling and vizualisation (Terry Neeman)
11:30				Workshop 2 Australian Academy of Science Fenner Conference on the Environment 2021 - Exceptional times, exceptional plants	
12:00				Part 2 - Cryopreservation of exceptional species	
12:30	Lunch	Lunch			Delegate discussions (Lunch)
13:00	Theme 2 Plenary - Seed Sourcing & End Use Keynote Speaker Prof Robert Henry	Theme 4 Plenary - Seeds in Culture & Society Keynote Speakers Dr Terri Janke, Prof Brad Sherman & Prof Ola Tveitereid Westengen	Workshop 1 Seed Banking 101 Part 1 - Presentations	Lunch	Workshop 3 Analysing seed data with R
13:30	Theme 2 Plenary Session - Seed Sourcing & End Use Presentations	Theme 4 Plenary Session - Seeds in Culture & Society Presentations			Part 3 - Linear models (Sergey Rosbakh)
14:00	15 min break	15 min break		Workshop 2 Australian Academy of Science Fenner Conference on the Environment 2021 - Exceptional times, exceptional plants	15 min break
14:30	Theme 2 Plenary Session - Seed Sourcing & End Use Presentations	Theme 4 Plenary Session - Seeds in Culture & Society Presentations	15 min break	Part 3 - Using all the tools of ex situ conservation to conserve our national plant treasures	
15:00			Workshop 1 Seed Banking 101 Part 2 - Group Sessions	Workshop Close 15:30	Workshop 3 Analysing seed data with R
15:30	Themes 1 & 2 Poster Session - Online Q&A and discussion Finish at 16:45	Themes 3 & 4 Poster Session - Online Q&A and discussion Finish at 16:45	Workshop 1 Seed Banking 101 Part 3 - Asia Pacific Network Discussion		Part 4 - Generalised linear models (Sergey Rosbakh)
16:00					
16:30					
17:00	Day 1 Close - 17:00	Closing Ceremony (10 mins) - Conference Close 17:00	Workshop Close 17:00		Workshop Close 17:00
17:30					
18:00					
18:30	Locally organised social networking events	Locally organised social networking events			
19:00					
19:30
